Kawaii-Scans needs your help!
Translators Looking at possible new series(if you have something you'd like to work on in mind already let's talk about it) or potentially help with some of our older ones.
Editors We need people who have a background in image editing. We need both cleaners and typesetter. Or if you like to do both that's fine too! If you have Photoshop we can train you!
We need people who have a good eye. You'll be asked to look for graphical mistakes as well as grammatical ones and list them for the editor to fix before release.
